Agreement to Pay WSIB

I hereby confirm that I have applied to the Workplace Safety & Insurance Board (WSIB) for health care benefits under the **Workplace Safety & Insurance Act**.

I also acknowledge that, should my claim be denied by the WSIB for any reason or should I abandon my claim for any reason, I will assume total responsibility for payment for health care services rendered by the Work-Fit Total Therapy Centre that are unpaid by the WSIB due to denial or abandonment of my claim.

I, _____ understand and agree to the above terms and consent to receiving assessment and treatment in the Work-Fit Total Therapy Centre.

Signed: _____ Date: _____

It is our experience that approximately 4% of all claims are rejected by the Workplace Safety & Insurance Board. If your claim is rejected, you can pay for your treatment by submitting it to your extended/private health insurance.

Do you have extended/private health insurance that has coverage for physiotherapy?

Yes No

NOTE: Work-Fit Total Therapy does not assume responsibility for ensuring your claim is allowed. You are responsible to contact WSIB and get approval for your treatment.
